Short Answer Questions

What did you like most about using VoiceThread?

Easy to use, not intimidating technology. Nice to be able to see everyone else's work.

I like the fact that it allowed us to communicate with one another and with the professor, as a class, even though we were taking an online course

It was a different way of submitting work and there were many ways to do it. I am sorry but I did not like VoiceThread. It was a little to complicated for me to use.

I really liked using voice thread. It gave a sence of actually being hear. When participating in an online class the connection is hard to establish. Also, this took the pressure off of "real" time.

What did you like least about using VoiceThread?

Nothing.

There wasn't anything I didn't like about it. I definitely took some getting used to, since this was my first time using it. But, the tutorial were extremely helpful and I've not had any issues.

It took some extra time to post information to voice thread. I live in the country and had problems connecting. Not a problem with voice thread though.

it wasnt a live interaction. Difficult to learn how to use I felt like it was a waste of time and extra added work. N/A Not as user-friendly

That I couldn't use my phone. VoiceThread should consider an app. images I didnt like that we couldnt get on ...

What could have made it better?

It could be a bit easier to access. Just keep up the good work and continue being available for questions regarding any issues that arise.

Making it easier to know that what you posted was shared so you are sure to get credit for your work. Not sure. It worked well and I hope to use it more.

nothing. Better instructions on how to use it. A seminar to learn how to use it and nagivate voice thread and not have to just figure it out N/A N/A

VoiceThread is fine the way it is to me. VoiceThread would be better if we could upload videos from our phones. Keeping it simple like skype or oovoo.

It would have bee ...
