EAGLE WOMEN'S VILLAGE

Sponsored by the NCCU Women's Center and the Department of Residential Life.

iLEAD!

Create A Better You!

Learn Valuable Leadership & Life Skills!

Build Your Network!

Eagle Women's Village (EWV) will help students:

- ✓ Increase the exploration, formation, and personal display of their own gender expression and identity while being challenged to appraise and appreciate the gender expression of their fellow community members.
- ✓ Engage in interpersonal relationships with fellow EWV members fostering community, respect, and sensitivity toward individual and cultural (collective) differences;
- ✓ Contribute to the intellectual and academic community environment through sharing, discussing, and questioning personal experiences, coursework, judgments, and aspirations.

The Women Center is committed to providing a safe atmosphere for confidential self-expression. We are committed to your overall success and invite you to apply for this **exciting** opportunity!
YOU ARE WORTH IT!

Created in 2011, **Eagle Women's Village** inspires and supports undergraduate women to become engaged, confident and connected leaders in the North Carolina Central University community and beyond. Our motto: iLEAD!

Goal*:*
Students in Eagle Women's Village will participate in programming opportunities geared toward 3 key areas in order to enhance their learning and holistic development.

Key areas:
Identity Development
Interpersonal/**I**ntimacy Skills Development
Independence/**I**nterdependence

Outcomes:
By participating in Eagle Women's Village, students should:

- ✓ begin to develop and cultivate their identity from the perspective of gender
- ✓ meet women with common interests and build lasting friendships
- ✓ increase self-awareness by acknowledging personal strengths and weaknesses
- ✓ identify career and personal goals
- ✓ demonstrate leadership skills
- ✓ demonstrate abilities to maintain balance between academic and personal life
- ✓ develop skills for personal health and self-care
- ✓ identify ways that social structures and public policies maintain an inequitable world for women and learn how to combat those ideologies.
- ✓ expand their knowledge of women issues and be able to identify resources and programs to address those concerns
- ✓ learn how to effectively communicate, both written and oral
- ✓ acquire skills to develop meaningful, healthy relationships.

The iLEAD Model includes the following components:
- **Sisterhood/Community Development**
- **Diversity & Inclusion/Global Awareness**
- **Community Service/Service Learning**
- **Academic Success**
- **Women's Empowerment & Feminism**
- **Wellness & Well-being**
- **Student Success**
