STATEMENT OF PUBLIC SUPPORT

North Carolina Central University is a publicly supported institution. Tuition payments and other required student fees meet only a part of the total cost of the education of students enrolled. On average, for each full-time student enrolled in an institution of The University of North Carolina, the State of North Carolina appropriated $11,738 per year in public funds to support the educational programs offered.

The University of North Carolina Board of Governors adopted a Plan to make tuition and fee rates for undergraduate North Carolinians predictable and affordable. Pursuant to the Plan, the maximum rate of annual increase for undergraduate residents for campus-initiated tuition is 6.5% and the increase in general fees (Athletics, Health Services, Student Activities, and Educational and Technology Fees) is 6.5%. Exceptions to the Plan were allowed to help address academic quality, to partially remedy the cumulative negative impact of several years of state budget reductions, and to help the University protect the quality of a UNC education. Specific information, including maximum allowable increases in tuition and fees per academic year by UNC campuses is available at: http://www.northcarolina.edu/finance/tuition/UG_Resident_projected_tuition.pdf.

G.S. 116-11(7) requires that the Board of Governors set tuition and required fees at the institutions, not inconsistent with actions of the General Assembly. Tuition and fee rates included in this bill were approved by the Board of Governors in February 2013. The tuition increases approved for 2013-14 of $211.00 per resident undergraduate student, $211.00 per nonresident undergraduate student, $265.00 per resident graduate student, and $265.00 per nonresident graduate student will generate $1,782,815.00 in additional revenue. Those funds will be used for Need-based Financial Aid $527,839.00, Expanded Course offerings $547,861.00, Student Services $142,230.00, Academic Support $161,717.00, Libraries $85,634.00, Technology Improvements $75,086.00, Classroom Repairs and Renovations $75,000.00, and Graduate Student Aid $167,448.00.

Students and parents can also find detailed information on how to plan, apply, and pay for college at www.cfnc.org.

TUITION SURCHARGE

In 1993, the North Carolina General Assembly (Senate Bill 27--Section 89b) enacted legislation directing the Board of Governor's to impose a 25% tuition surcharge on students who take more than 140 degree credit hours to complete the first undergraduate baccalaureate degree in a four-year program or more than 110% of the credit hours necessary to complete the degree in eight regular term semesters or the equivalent (or ten semester hours for 5 year programs).

Effective Fall 2010 Term, a 50% tuition surcharge will be imposed on students who take more than 140 degree credit hours to complete the first undergraduate baccalaureate degree in a four-year program or more than 110% of the credit hours necessary to complete the degree in eight regular term semesters or the equivalent (or ten semester hours for 5 year programs).

NOTE: TUITION AND FEES ARE SUBJECT TO CHANGE WITHOUT PRIOR NOTICE.
