CLOSED SESSION

The Committee heard a presentation from Chancellor Nelms and Provost Debbie Thomas, who presented a candidate for the position of Dean, School of Business with tenure.

The Chancellor explained to the NCCU Board of Trustees members the goal of having four to five signature programs on campus. He stated that a signature program is characterized by at least four features which are:

- A cutting edge curriculum aligned with professional practice.
- The existence of strong, strategic and symbiotic relationships with hiring organizations. These are relationships that are built on reciprocity.
- The graduation of competitive, job-ready students who can contribute from day one.
- A top-flight faculty who can deliver high quality instruction while providing long-term mentorship.

NCCU’s signature programs must include biotechnology, business, education, law and nursing. These programs are strategically aligned with societal needs and enable NCCU to position itself
in the market place of higher education.

Dr. Thomas shared with the committee the candidate’s credentials and indicated a national search was conducted and 6 candidates were interviewed by the search committee.

It was moved and properly seconded to reconvene in open session. The motion carried.
