**Additional Information Regarding Financial Aid and Financial Aid Appeals:**

Students who have failed to meet the standards of the Satisfactory Academic Progress (SAP) policy will be notified via their NCCU email by the Office of Scholarships and Student Aid. Upon notification, students may re-establish their financial aid eligibility at NCCU in one of the following ways:

1. A student can submit a Financial Aid Appeal with documentation of extenuating circumstances if a student experienced extenuating circumstances beyond his or her control that were detrimental to academic performance and the student’s ability to comply with the standards of the SAP policy, and those circumstances are now resolved or are being managed.
2. A student can submit a Financial Aid Appeal with documentation that they earned the number of credit hours for which they are deficient and/or documentation that they have improved their GPA without financial aid. AP credits and CLEP courses **do not count** as hours towards making up credit hour deficiencies. **These hours may be earned at NCCU or they may be earned at another institution and transferred to NCCU for any term after the deficiency occurs.** Students should complete the transfer credit approval form to ensure that courses taken at another institution will be accepted at NCCU.
3. Financial Aid Progression Plan – undergraduate students approved must successfully complete 67% of attempted hours for the approved semester and earn a 2.0 semester GPA; graduate students approved must successfully complete 75% of attempted hours for the approved semester and earn a 3.0 semester GPA; professional students approved must successfully complete 75% of attempted hours for the approved semester and earn a 2.0 semester GPA. Approval is granted for one semester, although the award notification may reflect fall, spring and/or summer. Students who fail to meet the minimum academic standards reflected above financial aid will be canceled. **You must complete a Financial Aid Progression Plan along with the appeal form.**

Students should be prepared to pay all charges owed to the University until a decision is made on the Financial Aid Appeal and financial aid may be awarded. If your Financial Aid Appeal is approved, you are not guaranteed replacement of any previously awarded financial aid package.

**Additional Information Regarding Academic Progression Dismissal and Academic Appeals:**

Only one Academic Progression Appeal will be permitted. If an Academic Progression Appeal is approved and the readmitted student fails to achieve the required 2.0 cumulative GPA at the end of the term of readmission, the student will be dismissed from NCCU with no further appeals permitted. If an Academic Progression Appeal is not approved, students may apply to return to NCCU upon completion of an Associate’s degree from a community college, or after a period of five years away from the University. After a five year absence, students may qualify for Academic Forgiveness. Students must complete a Readmission Application via the Office of the Registrar.

For further information regarding Academic Progression Appeals please contact the office of the Dean of your School or College, or the Office of Scholarships and Student Aid regarding Financial Aid Appeals.

Students will be notified of the decision regarding their Academic Progression and/or Financial Aid Appeals via their NCCU email. All decisions are FINAL.

***By signing this form I certify that all information and documentation is authentic and accurate. When requesting both an Academic Appeal and a Financial Aid Appeal, I understand that decisions for each appeal request are independently made by two separate offices and that approval of an Academic Appeal does not guarantee approval of a Financial Aid Appeal. Additionally, I understand that each reserves the right to request additional documentation before rendering a final decision and that a Financial Aid Appeal will not be reviewed until a decision is made for an Academic Appeal.***
