CONVOCATION KEYNOTE SPEAKER

Myron Laurent Rolle is a gifted athlete, scholar and philanthropist. Born in Houston in 1986, he grew up in Galloway, N.J., as the youngest of five brothers. He attended the Hun School in Princeton, where his performance on the football field gained national recognition. ESPN's recruiting services ranked him as the No. 1 high school football prospect in the country, and he received 83 scholarship offers from Division I schools.

Meanwhile, he maintained a 4.0 grade point average throughout middle and high school and accumulated 21 advanced placement credits. He further defied athletic stereotypes by playing saxophone in the high school band, serving as sports editor of the school newspaper and starring in the lead role in his high school's production of "Fiddler on the Roof."

Rolle ultimately chose to attend Florida State University, where he continued to excel on the field as a safety. In 2006, he earned All-ACC honors and was ACC Defensive Rookie of the Year. In 2008, he earned Associated Press third team All-American honors. After the 2008 season, the FSU coaching staff presented him with the Bill McGrotha/Spirit Humanitarian Award. He won The Touchdown Club of Columbus Male Athlete of the Year and was also a finalist for the Lott Trophy, awarded to the top defensive player in the country.

MYRON LAURENT ROLLE

At FSU, he completed all necessary premedical requirements and earned a Bachelor of Arts in exercise science in just two-and-a-half years, all while maintaining a 3.75 GPA. Rolle was awarded a prestigious Rhodes Scholarship upon graduation from FSU in 2008, enabling him to study at Oxford University in England.

Rolle postponed his National Football League career to pursue a master's degree in medical anthropology at Oxford during the 2009-10 academic year. He was then selected in the 6th round of the 2010 NFL draft by the Tennessee Titans and finished his career three years later with the Pittsburgh Steelers.

While in high school, he was a Habitat for Humanity volunteer and helped build homes in Florida and West Virginia. In 2009, he started the Myron L. Rolle Foundation, dedicated to the support of three health, wellness and education initiatives for children and families in need. He established Our Way to Health, an anti-obesity program for Native American children that began in the Seminole tribe of Florida, and later, in collaboration with U.S. Interior Secretary Ken Salazar, expanded to also serve the Navajo, Hopi and Pueblo tribes. In conjunction with the Florida Department of Children and Families and the Florida National Guard, Rolle created the Myron Rolle Wellness and Leadership Academy, designed to empower, equip and uplift 100 Florida foster children in a week full of leadership/nutritional training, character building and guest speakers. He is also building a free health clinic in Exuma, Bahamas, the homeland of his grandparents, to better service the residents of the island.

Rolle believes in the totality of person. He believes in enriching your life experience through fundamental principles that may accrue from an individual's willingness to seek new opportunities in life. He read a Ben Carson book and now aspires to be a neurosurgeon. He answered a congratulatory phone call and now is the youngest-ever member of the Board of Trustees at Hampden Sydney College. He met foster children at a dinner in Tallahassee, Fla., and now advocates for this population. He spoke at a Clinton Global Initiative U event and now has traveled with the Clinton group to Rwanda and the Democratic Republic of Congo. He chose Oxford University over the NFL and now is a role model for student-athletes. Rolle hopes to be an inspirer of dreams, an educator of purpose, a teacher of fitness and a leader for many.

HONORS RECOGNITION

North Carolina Central University recognizes students with a minimum cumulative grade point average of 3.0.

PROFESSIONAL AND ACADEMIC HONOR SOCIETIES

North Carolina Central University has a variety of professional and academic honor societies and associations to which qualified students are invited to apply for membership. The purpose of the honor societies is to encourage and advance academic excellence and scholarship in a broad variety of professional and academic fields: education, the arts and humanities, social and behavioral sciences, allied health sciences, law, library science, the natural and the physical sciences. The honor societies also promote high ideals and exceptional academic performance through such inter-curricular and co-curricular activities as workshops and regional and national conferences. These experiences focus on academic and professional development and the application of knowledge in addressing issues and solving critical problems of varied scope—local, state, national, and global. Participation is based on academic requirements, which range from minimum credit hours (12-70), and minimum cumulative grade point averages ranging from 3.0 to 3.5 for undergraduate students and 3.5 to 3.8 for graduate students. Some societies require that students rank in the top 20 percent of their classes, and others require that students rank in the upper half of their classes. The honor societies listed in this convocation program are those submitted by deans, chairpersons, and directors of each respective academic unit.

The Alma Mater

DEAR OLD N.C.C.

Annie D. Shepard

Harry T. Burleigh

The sloping hills, the verdant green,
The lovely blossoms' beauteous sheen
Surround our college proud and gay
Where wave our colors, Maroon and Gray
What matters it how far we roam,
Our thoughts will oft return to home
And hearts will e'er be true to thee,
Our Alma Mater, N.C.C.

REFRAIN:

Then Rah! Rah! Rah! for our colors so gay,
Dear Old N.C.C.'s Maroon and Gray;
Thy Sons and Daughters will honor thee,
Dear Old N.C.C.

II

We've gathered here to fit our lives
As from the darkness light revives
So let us hail, both night and day
Our glorious colors, Maroon and Gray.
We'll ever love and honor thee,
For thou hast taught us loyalty.
Then let our watchword "Service" be
To Alma Mater, N.C.C.

III

You send us forth with hearts of love
So like a blessing from above,
And from the path we'll never stray.
Our dear Alma Mater, Maroon and Gray
We'll work and fight, we'll win our way.
When duty calls, we shall obey.
And may we e'er return to thee,
Our Alma Mater, N.C.C.
