

UNIVERSITY HONORS PROGRAM REQUIREMENTS

All UHP students must maintain a 3.3 grade point average in order to remain in good standing in the program. Students who complete *all* program requirements (provided below) will have the academic distinction of “University Honors Program” designated on their academic transcript upon graduation. Students who do not satisfy the full transcript distinction requirements, but meet a lower threshold, may earn an honors cord or certificate at minimum.

<u>Transcript Distinction</u> Admitted to UHP as Freshman	<u>Transcript Distinction</u> Admitted to UHP after Freshman Year	<u>Honors Cord Only</u> Admitted to UHP Any Time	<u>Certificate Only</u> Admitted to UHP Any Time
23 Honors Credits UHP Mentoring Honors Thesis	12 Honors Credits UHP Mentoring Honors Thesis	12 Honors Credits UHP Mentoring	6 Honors Credits UHP Mentoring

Students may earn necessary Honors credits through the following offerings:

- 14 Honors credits in the General Education Curriculum
- Two Honors seminars (6 credits)
- Approved off-campus study, graduate-level coursework, or honors elective (3 credits)

Students may substitute up to 3 upper-level course credits as “honors” through an Honors Contract with the UHP Director and the course professor (Click Here for Contract). The Honors Contract may not substitute for the Honors Excellence Study or Honors Thesis.

- **Honors Excellence Study and Honors Thesis**

All UHP Freshmen admitted to NCCU in the Fall of 2011 or after are required to complete 3 hours of Honors Excellence Study in one of the following areas: 1) Inter-Institutional coursework from a Research I institution (Duke, UNC, or NC State recommended); 2) Exchange study at a Research I institution through the National Student Exchange Program; 3) Study abroad certified by the Office of International Affairs; 4) Honors Elective or 5) Graduate-level coursework in any accredited program, including North Carolina Central University. **All Honors students are expected to do a capstone thesis in their field of study in order to receive the special “University Honors Program” transcript distinction (Click Here for Requirements).**

- **Honors Service Hours**

All UHP students are required to complete a minimum of 30 hours of “Honors Service” through the Honors Mentoring Program. The University Honors Program is dedicated to preparing student leaders who will serve their campus, local, and global community. In developing as “World Changers” who positively impact society through service leadership, honors students will mentor other students at NCCU who are academically vulnerable through the Honors Mentoring Program. Honors Service Hours will be recognized for general university community service and general university community service hours earned prior to 2011 may be recognized to fulfill this requirement upon approval by the University Honors Program.
