

# **How To Determine If You Are Financially Cleared And Validated For The Fall 2013 Term**

**Payment for the Fall 2013 Term is due by August 5, 2013 at 4 p.m.**

Please verify if your student account is validated for the Fall 2013 Term by going to MyEOL and selecting **Student Account and Financial Validation Status**. If the message states you are not validated for the Fall 2013 Term, please follow step 1 thru step 3. **Course schedules will be cancelled for those students who have not made satisfactory payment by 4 p.m. on August 23, 2013.**

1<sup>st</sup> Please view your NCCU Certified Statement By Term online to determine the amount you need to pay to meet the Satisfactory Payment Arrangement criteria.

2<sup>nd</sup> If you have a balance due for any terms prior to the Fall 2013 Term, all of that prior balance must be paid in full online, by mail, or in person at the Cashier's Office.

3<sup>rd</sup> When you view your charges for the Fall 2013 Term, divide these charges in half and pay that half plus the \$25.00 Processing Fee online, by mail, or in person at the Cashier's Office.

If you choose to pay half of your bill during registration, you are automatically enrolled in the University Payment Plan and you will be assessed the \$25.00 Processing Fee. The other half of your Fall 2013 charges must be paid in 2 equal installments. This first installment is due by September 10, 2013 and the final installment is due by October 10, 2013. Failure to meet these installment payment deadlines of September 10, 2013 and/ or October 10, 2013 will result in a \$20.00 installment late fee for each missed installment payment deadline.

4<sup>th</sup> Once your prior balance and ½ of your current semester charges have been paid plus the \$25.00 processing fee, you can verify if you have made satisfactory payment arrangements by selecting Student Account and Financial Validation Status. If you receive a message stating you are validated for the Fall 2013 Term, then you have made satisfactory payment arrangements for the Fall 2013 Term.

If you receive a message stating you are not validated for the Fall 2013 Term, please repeat step 1 thru step 3 until you receive the validated status message.

Please note: If you drop or add classes during the Fall 2013 registration process, your validation status may be affected. It is very important that you continue to check your validation status, to avoid being dropped from your Fall 2013 classes.
