

**North Carolina Central University**  
**Graduate and Undergraduate Research Symposium**  
**April 11 and 12, 2014**  
*Excellence in Research and Innovation*

*Registration*

Registration is now open for the 2014 Graduate and Undergraduate Research Symposium. This is an opportunity to present your research and learn about scholarly work from your colleagues in other disciplines.

**Everyone is required to register.**

*Call for Abstracts*

This is a Call for Abstracts on Research and Scholarly works from NCCU graduate and undergraduate students who would present Oral and Poster Presentations at the 2014 NCCU Graduate and Undergraduate Research Symposium, April 11-12, 2014. The symposium provides a venue for graduate and undergraduate NCCU students who engage in research to communicate and disseminate their research findings to a professional audience. The theme for the symposium is "Excellence in Research and Innovation".

For more information on registration, abstract submission, and criteria please visit the website.
