Gender REEL Film Festival at Michaux Jr. School of Education
Gender Reel, is a coast-to-coast event dedicated to enhancing the visibility of gender non-conforming, gender variant/queer and transgender people, identities and experiences. The goal of the festival is to empower filmmakers and performance artists to create work reflective of this mission by providing an accessible and embracing platform where this work can be showcased. We are pleased to be able to offer the event for FREE and will be providing opportunities during the event to donate to NCCU's LGBT Center.
