Graduate/ Undergraduate Oral or Poster Presentation

Thank you for participating in the Graduate and Undergraduate Research Symposium at North Carolina Central University. This page will provide you with information regarding the formatting of the abstract. The Abstract should be typed in 12-pitch font, and two hundred (200) words maximum. The abstract must be approved by your faculty advisor or mentor. The schedule for both the oral and poster presentations will be finalized once all abstracts have been reviewed. Please contact your research mentor or advisor if you have any questions about your presentation.
