What

The Student Athlete Leadership Academy (SALA) is a college readiness and character development initiative designed to engage participants in the purposeful exploration of the anatomy of the student athlete, college readiness, and athletic conditioning.

Who

Rising 5th–9th grades student athletes.

Why

To equip participants with vital life skills that will promote positive academic performance and foster pro-social behaviors.

How

Special features of SALA include SAT/ACT preparation, character/identity development, and evening summer workout sessions.
