

How To Determine If You Are Financially Cleared And Validated For The Spring 2016 Term

Payment for the Spring 2016 Term is due by 4 p.m. on January 4, 2016.

Course schedules will be cancelled for those students who have not made satisfactory payment by 4 p.m. on January 15, 2016.

Satisfactory payment arrangements mean all of your prior balance is paid in full and ½ of your current semester charges plus a \$25.00 processing fee are paid in full.

Please verify if your student account is validated for the Spring 2016 Term by going to MyEOL and selecting **Student Account and Financial Validation Status**. If the message states you are not validated for the Spring 2016 Term, please follow step 1 thru step 3. **Course schedules will be cancelled for those students who have not made satisfactory payment by 4 p.m. on January 15, 2016.**

1st Please view your NCCU Certified Statement By Term online to determine the amount you need to pay to meet the Satisfactory Payment Arrangement criteria.

2nd If you have a balance due for any terms prior to the Spring 2016 Term, all of that prior balance must be paid in full online, by mail, or in person at the Cashier's Office.

3rd When you view your charges for the Spring 2016 Term, divide these charges in half and pay that half plus the \$25.00 Processing Fee online, by mail, or in person at the Cashier's Office.

If you choose to pay half of your bill during registration, you are automatically enrolled in the University Payment Plan and you will be assessed the \$25.00 Processing Fee. The other half of your Spring 2016 charges must be paid in 2 equal installments. This first installment is due by February 10, 2016 and the final installment is due by March 10, 2016. Failure to meet these installment payment deadlines of February 10, 2016 and/or March 10, 2016 will result in a \$20.00 installment late fee for each missed installment payment deadline.

4th Once your prior balance and ½ of your current semester charges have been paid plus the \$25.00 processing fee, you can verify if you have made satisfactory payment arrangements by selecting Student Account and Financial Validation Status. If you receive a message stating you are validated for the Spring 2016 Term, then you have made satisfactory payment arrangements for the Spring 2016 Term. If you receive a message stating you are not validated for the Spring 2016 Term, please repeat step 1 thru step 3 until you receive the validated status message.

Please note: If you drop or add classes during the Spring 2016 registration process, your validation status may be affected. It is very important that you continue to check your validation status, to avoid being dropped from your Spring 2016 classes.
