HOW DO I REGISTER?

Begin by creating a MyEOL account:
1. Go to nccu.edu/myeol and enter the Banner ID number listed on your acceptance letter. (Starts with 820)
2. The Banner PIN # is your birthdate (MMDDYY).
3. Enter your last name (as it’s written in your acceptance letter).
4. Click “verify my info” and you’re official!
5. Now go back to nccu.edu/myeol and log in.
6. Click “Enroll Now” to register for New Student Orientation. Pick a date and pack your bags. We can’t wait to see you!
Where will we stay for Orientation?

**First-Year Students** will stay in a residence hall. Bring clothing for the next day, a towel, toiletries, (soap, toothpaste, etc.) fitted and flat sheets and a pillow.

**Parents, Family & Guests** will stay off-campus. Please review the preferred hotel list at nccu.edu/parents. This is an additional cost not included in the Parent/Guest fee.

Who should I bring with me?

Bring your family and support team to cheer you on! (It’s not required, though.) They’ll hear from academic departments, learn about student services and tour the campus while meeting other parents. Plus, they can ask questions and learn about upcoming NCCU parent and family programs.

Can I change my SOAR date?

Absolutely! Just contact us and include the student’s name, banner ID and phone number and we will help you reschedule.

*Please note there is a $10 date change fee per session change.*

What is the enrollment deposit?

This deposit holds your place at NCCU and covers the cost of your Student Orientation, Advising and Registration (SOAR) session. The fee also includes the first-year student overnight stay in the residence hall, all meals, materials and first-year programming. The non-refundable deposit amount is:

- First-time freshman - $325
- Transfer Students - $225

I DO NOT have to attend SOAR. How do I register for classes?

Verify with New Student and Family Programs that you aren’t required to attend SOAR. Failure to attend means you miss necessary information and can affect your graduation or course registration.

Contact your school or college to set an advisement and course registration appointment. Let them know that you have spoken with New Student and Family Programs, and do not have to attend Student Orientation, Advising and Registration (SOAR).
