How To Determine The Satisfactory Payment Arrangement Amount

Please verify if your student account is validated for the 2017 Summer 1 and/or Dual Session by going to MyEOL and selecting Student Account and Financial Validation Status. If the message states you are not validated for the 2017 Summer 1 and/or Dual Session, please follow step 1 thru step 3. **Course schedules will be canceled for those students who are not validated by May 31, 2017 at 4 P.M.**

1st Please view your NCCU Certified Statement By Term online to determine the amount you need to pay to meet the Satisfactory Payment Arrangement criteria.

2nd If you have a balance due for any terms prior to the 2017 Summer 1 and/or Dual Session, all of that prior balance must be paid in full online, by mail, or in person at the Cashier's Office.

3rd When you view your charges for the 2017 Summer 1 and/or Dual Session, divide these charges in half and pay that half plus the \$25.00 Processing Fee online, by mail, or in person at the Cashier's Office.

If you choose to pay half of your 2017 Summer 1 and/or Dual Session bill during registration, you are automatically enrolled in the University Payment Plan and you will be assessed the \$25.00 Processing Fee. The other half of your 2017 Summer 1 and/or Dual Session charges must be paid in full by June 16, 2017. Failure to meet this installment payment deadline of June 16, 2017 will result in a \$20.00 installment late fee for the missed installment payment deadline.

4th Once your prior balance and ½ of your current semester charges have been paid plus the \$25.00 processing fee, you can verify if you have made satisfactory payment arrangements by selecting Student Account and Financial Validation Status. If you receive a message stating you are validated for the 2017 Summer 1 and/or Dual Session, then you have made satisfactory payment arrangements for the 2017 Summer 1 and/or Dual Session.

If you receive a message stating you are not validated for the 2017 Summer 1 and/or Dual Session, please repeat step 1 thru step 3 until you receive the validated status message.

Please note: If you drop or add classes during the 2017 Summer 1 and/or Dual Session registration process, your validation status may be affected. It is very important that you continue to check your validation status, to avoid being dropped from your 2017 Summer 1 and/or Dual Session classes.
