STRATEGIC PRIORITIES OF CHANCELLOR JOHN O. AKINLEYE
Expand NCCU’s portfolio of academic offerings and research initiatives and provide new opportunities for global immersion.

Expand partnerships with higher education institutions, community colleges, K-12, private industry and nonprofits to recruit, support and employ students.

Facilitate the development of innovative strategies with Durham County, the City of Durham and the Research Triangle to create economic opportunity and revitalization in areas surrounding NCCU.

Reinforce and invest in improved security measures to enhance campus safety and well-being.

Improve and build new infrastructure to better accommodate the NCCU community as it grows and thrives.

Embrace student success and offer multiple access points for students seeking higher education.
