

Parents and Family Association

October 2008

Greetings from the NCCU Parents & Family Association!

This e-mail serves as the first edition of a monthly "E-update" that we will send once per month. We hope that you will appreciate learning about campus activities and ways to be involved as a parent or family member of an NCCU student!

We hope you've had a chance to visit campus this semester. If not, don't worry—there are still chances to visit over the next few weeks:

- **HOMECOMING WEEKEND, OCTOBER 30 – NOVEMBER 2**
See the full list of activities by clicking [here](#).
- **PARENTS & FAMILY ASSOCIATION MEETING, NOVEMBER 15, 9:30 a.m. – 11:00 a.m.**
See more information about this meeting by clicking [here](#).
After the meeting, make sure to attend the NCCU vs. Winston Salem State University football game, kick-off at 1:30 p.m. For ticket info, visit www.nccueaglepride.com

Over the next year, our goal is to build the foundation for a strong, involved, and engaged Parents & Family Association. This will take a lot of patience, hard work, and willingness from parents and family members to dedicate some time and energy to this effort. The first step you can take is to attend our meeting in November and help brainstorm and create a plan of action for the next academic year! If you live a far distance away and cannot attend, we understand. We'll be in touch next month with volunteer opportunities in which you can participate.

If you ever have any questions, concerns, or comments as parents and family members of NCCU students, always remember that you can send an e-mail to parents@nccu.edu.

We look forward to working with you!
