[1] By resolution adopted November 13, 1981, the Board of Governors elaborated upon this provision concerning the acquisition and disposition of interest in real estate. The resolution says, among other things, that the value of an interest in real estate shall, with respect to a lease, be deemed the annual rental thereof. Further, the resolution expressly authorizes the board of trustees to delegate to their respective chancellors the power to authorize for the institutions the acquisition or disposition by lease of institutions the acquisition or disposition by lease or interests in real estate valued at less than $25,000, subject to any necessary approval from state officials and agencies.

[2] Legislation adopted by the 1973 session of the General Assembly, on recommendation of the Board of Governors, gave the boards of trustees broad authority in this area and superseded the authority originally granted in this paragraph; hence it is omitted here. [See G.S. 116-44.3 et. seq.]
