

NORTH CAROLINA CENTRAL UNIVERSITY
DIVISION OF EXTENDED STUDIES: OFFICE OF E-LEARNING
ONLINE COURSE DEVELOPER AUTHORIZATION FORM
SUBMISSION DEADLINE: SEPTEMBER 6TH

This form should be submitted to the Division of Extended Studies (DES) when (a) converting an existing traditional face-to-face instruction course into a new online course, or (b) redesigning an online course no more or less than four (4) years except under extenuating circumstances i.e. SACS, new textbook adoption; or change more than thirty percent (30%) or alter the core of the course. The purpose of this document is to formalize a relationship with a faculty member, adjunct faculty, or a department for the development, revision, or enhancement of an online course. The faculty developer must turn in this form, signed by the Department Chair and Dean, acknowledging that the course has been approved by an appropriate departmental committee and that the faculty developer will comply with either of the following options:

Option 1 (STIPEND)

- a) The faculty developer will work with the Office of e-Learning (OeL) staff to develop an online course and submit a fully developed online course for review at least six weeks before the course is scheduled to start.
- b) OeL staff will provide a detailed review and feedback using the Quality Matters Rubric.
- c) After the review, OeL staff will assist the faculty developer implementing changes or improvements recommended in the feedback.
- d) The OeL Coordinator will share the course design/redesign checklist with the faculty developer, the Department Chair, Dean and the DES Associate Director.
- e) The deadline to submit the approved authorization form is September 6th of the fiscal year. Extended Studies will accept course development authorization forms once a year. Faculty can develop one (1) course per academic year.

Stipend Schedule:

- 1. Course development approved by OeL staffer March 15th or before, stipend is issued by May 31st.
- 2. Course development approved by OeL staffer May 1st or before, stipend is issued by July 31st.
- 3. Course development approved by OeL staffer October 1st or before, stipend is issued by December 31st.

Option 2 (NON-STIPEND)

- a) The faculty developer will earn the Professional Development Series badge and/or certificate representing basic knowledge and skillsets for online course design and teaching prior to teaching online for the first time. This badge, developed by OeL, can be earned through participation in the Faculty Orientation to Online Learning, a professional development series offered by the OeL, Quality Matters & Blackboard, along with completion of related tasks. Alternative arrangements can be made by contacting the OeL.
- b) The faculty developer will work with the OeL staff on an abbreviated schedule, timeline and consultations.

ONLINE COURSE DEVELOPER AUTHORIZATION FORM
SUBMISSION DEADLINE: SEPTEMBER 6TH**

- c) The OeL Coordinator will award the Professional Development Series Badge to the course developer and notify the Department Chair, Dean and the DES Associate Director.

Please select one of the following options:

Option 1: I will submit a fully developed online course six weeks before the course is scheduled to start.

Option 2: I will participate in the OeL Faculty Orientation to Online Learning before teaching the course or will make arrangements to earn the OeL Badge for Online Teaching.

Development and Delivery of Online Courses

Step 1: Online Course Developer Authorization

Step 2: [NCCU New Development Course Profile Form](#)

Step 3: [DE Proposal Course Offering Form](#)

Before the course is placed into the schedule for student enrollment, it must be 80% developed, reviewed by an OeL staffer, and approved by the Distance Learning Committee. **Please ensure that every field in this form is completed. Incomplete forms may impact approval.**

*From a curricular standpoint why has the department selected an online format for this class?

* HYBRID DE SITE BASED PROGRAMS ONLY - What percentage of contact hours for this course will be online?

* What was the passing rate (C or better) from the most recent semester for this course?

* What was the WD or WF rate for this course for the most recent semester?

Please explain how the course meets one or more of the following justification criteria:

- High enrollment potential (include projected enrollment)
- Strong demand from students for an online course
- Strong or emerging market demand
- Course is part of a degree or certificate program being put entirely online
- Course is part of a grant project
